No. There is no cost to attend. We are a North Carolina public school of choice.

When can I enroll my child for kindergarten?

You may enroll during the enrollment period (January & February) the year before your child will begin school. We do not take applications before the enrollment period begins in January, and kindergarten students must be 5 on or before August 31st of that year.

Who is a priority student?

A priority student is any student who:

1st Priority: is a child or grandchild of a faculty or staff member,

2nd Priority: has a sibling who is currently enrolled at BHCS

3rd Priority: lives in what was considered the Bethel Hill district when the school was a Person County School

4th Priority: qualifies for Legacy Priority

-Bethel Hill Charter School Board adopted the following Legacy Priority in February 2014.

-Starting with the 2013-2014 school year through the 2015-2016 school year, siblings of students completing 6th grade at Bethel Hill Charter and were enrolled at least four years will be granted enrollment priority

-Starting with the 2015-2016 school year, siblings of students completing 5th grade at Bethel Hill Charter School and were in enrolled at least four years will be granted enrollment priority. How is the lottery conducted?

If there are more student applications than spots available, a lottery will be held. This lottery is open to any student who has completed an application submitted by the application deadline will be entered into the lottery. Members of our board of directors (or their designees) will draw student names to fill the spots we have available. After all spots are filled the remainder of the names will be drawn and placed onto a waiting list in the order in which they are drawn. Each year a child remains on the waiting list there will be a new lottery held in March to create the new waiting list order for the next school year.

If my child is placed on a waiting list, how long will their name remain on the list?

Your child's name will be placed on the waiting list in the order it was received until a spot becomes available or you ask for it to be removed. There is no way to determine how long it will take for a space to become available. Spaces become available when a student leaves our school. **If your contact information changes, please call or email us.** If we cannot contact you, then the next person on the waiting list will be contacted.

What if one of my children gets accepted and there is no space available for my other child?

Once one of your children is enrolled, their siblings will move to sibling priority status on the waiting list. If you opt not to enroll a child because there is not space for all of your children, then that child will be placed at the bottom of the waiting list.

Does BHCS follow the same calendar as Person County Schools?

We try our best to keep it as close to their calendar as possible. However, because we have six-week grading terms, there are a few days that will differ throughout the year.

Does BHCS have a preschool program?

No. Our school covers a grade span of kindergarten through 5th grade.

Is transportation provided by BHCS?

Yes, we have bus routes that cover most of Person County. Since we cover such a large area, we are able to provide convenient pick up points and a limited few door-to-door stops.

Yes. We operate a before school program from 6:30 a.m. – 8:00 a.m. and an after school program from 3:00 p.m. – 5:30 p.m. Please note there is an application and fee associated with this program.

No. It is the mission of Bethel Hill Charter School to instill respect for self, respect for others, and high moral values. It is not the intent of Bethel Hill Charter School to stifle or deny appropriate expression through one's individual dress. However, we do expect children to dress appropriately for school. When questions concerning dress arise the Principal determines the appropriateness of dress. Parents may appeal the Principal's decision to the Board of Directors.
